Student Services

Tardy Policy

Students are to be in their seat before the tardy bell rings. Students who are late will be sent to the tardy sweep room for the remainder of the period. Tardy sweep will be held every period of the day. Six minutes are allotted between classes. **Students who are habitually tardy will receive one or more of the following consequences: detention, in-house suspension, Saturday school, or may be placed on the “No Go” list.** In addition parents and students may have to attend a truancy meeting and may be referred to the Student Attendance Review Team (SART) or Student Attendance Review Board (SARB) for further action. Students with habitual attendance issues may also be cited by the Lakewood Sheriff’s Department.

Attendance

All students, regardless of their age, are expected to attend school regularly and be on time for classes, benefiting from the instructional program, while developing habits of punctuality, self-discipline, and responsibility.

If absent, students must bring a note, or have a parent/guardian call the attendance office within two weeks. When a student has accrued six or more unexcused period absences or tardies, they may be assigned one or more of the following: detention, in-house suspension, Saturday school, or may be placed on the “No Go” list. In addition, students with habitual attendance problems will be referred to a parent conference, School Attendance Review Team (SART), or School Attendance Review Board (SARB) at the Bellflower courthouse.

Mayfair High School is a closed campus. Students may not leave the school grounds during the school day. If there is a need to leave school during the day, such as for a dental appointment, students must be signed out through the attendance office or Middle School Office by a parent/guardian or an adult designated on your emergency card.

Cell Phone Policy

Cellular phones and other electronic devices must remain **out of sight** or in a carrying case and remain **powered “OFF”** when not being used for instructional purposes in the classroom, except when being used for a valid instructional or other school-related purpose as determined by the teacher or other school site staff. When devices are in use, they shall remain in silent mode unless otherwise specified. Students may not use or display cell phones and other electronic devices in classrooms or during participation in school activities, during the instructional day, unless specifically authorized by a school administrator or designee. Any device with camera, video, or voice recording function shall not be used in any manner, which infringes on the privacy rights of any other person. Cellular devices and other electronic devices may be used on campus during snack, lunch, before school, and or after school as long as it does not cause a disruption.
